

We are awesome: Live it Clearly and Boldly!

St Mark's Inala

Annual Plan 2021

Vision

Students will develop skills to go forward in hope and optimism ready to engage in a diverse and complex world as responsible Christian citizens.

Mission

Centred on Christ, we strive to nourish and celebrate a Catholic way of life where everyday experiences are recognised as places where God is present.

Values

Respect

Resilience

Priorities

Catholic identity

Goal: To develop multi-level ongoing assessment in the teaching of Religion.

Strategies: Term planning discussions; staff professional development meetings on assessment forms and use of digital portfolios.

Success measures: Use of digital portfolios for all students; use of multi-level assessment pieces and modes.

Learning and teaching

Goal: To use a variety of assessment tools and collection methods in an ongoing capacity throughout the teaching and learning sequence.

Goal: To understand and implement assessment capable learning.

Strategies: Audit of current assessment practices; editing of useful/superfluous assessment tools; professional development in use of digital portfolios and data analysis.; analysis of a wide range of data.

Wellbeing

Goal: To understand and implement trauma-informed practices so that all students are well-supported.

Strategies: Professional Development: Judith Howard; BSEM training; Trauma Twilight; Morning routines; ongoing whole staff development with Student Voice.

Success measures More co-regulation; more self-regulation; use of Zones of Emotional Regulation; use of Trauma language practices.

Our people

Goal: To use the staff charter effectively.

Strategies: Launch of the staff charter; professional development in holding brave conversations; support for staff wellbeing.

Success measures: a more team centred approach in the daily work; more clarity and empathy in resolving issues.

Success measures: Consistent use of digital and other forms of summative and formative assessment; targeted use of a wide range of data.

SMART GOAL: By the end of 2021, there will be a school-wide approach in the implementation of a differentiated reading and writing program so that each year level is making progress towards achieving Brisbane Catholic Education reading benchmarks.
