

Vision for Learning

- Reverence -

We are a community that believes each member is created in the image and likeness of God.

We incorporate and embrace different backgrounds and beliefs.

We are reflective and mindful about new learnings and teachings.

We value, embrace and nurture the whole person.

- Responsibility -

We are bold and accountable learners who are independent, collaborative and reflective.

We use goal setting to guide and reflect on our learning.

We have a collective responsibility to support each other's learning.

We work together to achieve a common purpose.

- Relationships -

We are a welcoming learning community who encourage and trust each other to build collaborative and positive relationships.

We communicate openly with each other.

We learn from each other's experiences and knowledge.

We celebrate each other's learning.

- Resilience -

We are life-long learners with a positive mindset who learn through risk-taking, diversity and constructive feedback.

We give and receive feedback to improve our learning.

We respond positively to challenges.

We take risks and learn from our mistakes.

- Respect -

We are a supportive, safe and inclusive community that values life-long learning.

We believe that everyone can learn.

We use research and data to support teaching and learning.

We cater for different needs of learners in an engaging way.
